Accessibility Plan 2019-22

Improving the Curriculum Access:

Target	Strategy	Outcome	Achievement
Ongoing Training for teachers on differentiating the curriculum	Undertake an audit of staff training requirements	All teachers are able to more fully meet the requirements of disabled children's needs with regards to accessing the curriculum	Increase in access to the National Curriculum
All out-of-school activities are planned to ensure the participation of the whole range of pupils	Review all out-of-school provision to ensure compliance with legislation	All out-of-school activities will be conducted in an inclusive environment with providers that comply with all current and future legislative requirements	Increase in access to all school activities for all disabled pupils
Classrooms are optimally organised to promote the participation and independence of all pupils	Review and implement a preferred layout of furniture and equipment to support the learning process in individual class bases	Lessons start on time without the need to make adjustments to accommodate the needs of individual pupils	Increase in access to the National Curriculum

Training for Awareness Raising of Disability Issues	Provide training for governors, staff, pupils and parents. Discuss perception of issues with staff to determine the current status of school	Whole school community aware of issues relating to Access	Society will benefit by a more inclusive school and social environment

Improving the Delivery of Written Information

Target	Strategy	Outcome	Achievement
Availability of written material in alternative formats	The school will make itself aware of the services available through the LA for converting written information into alternative formats.	The school will be able to provide written information in different formats when required for individual purposes	Delivery of information to disabled pupils improved
Make available school brochures, school newsletters and other information for parents in alternative formats	Review all current school publications and promote the availability in different formats for those that require it	All school information available for all	Delivery of school information to parents and the local community improved

Review documentation with a view of ensuring accessibility for pupils with visual impairment	Get advice from Hearing and Vision Support Service on alternative formats and use of IT software to produce customized materials.	All school information available for all	Delivery of school information to pupils & parents with visual difficulties improved.
Raise the awareness of adults working at and for the school on the importance of good communications systems.	Arrange training courses.	Awareness of target group raised	School is more effective in meeting the needs of pupils.

Improving the Physical Access

Item	Activity
Accessible car parking	Bays to be signed
Dropped kerbs either side of main vehicle entrance.	Pedestrian access improved
Doors	Anti-glare film to be applied to the doors
Staircases	Colour-contrasted handrails to both sides of staircases
Doors at top of stairs to prevent wheelchair users accessing stair case.	Install doors
Accessible toilet	To provide one unisex accessible toilet

<p>Improve Reception facilities during building changes</p>	<p>The counter is lowered to a maximum height of 800mm, with knee-space under.</p>
<p>Adapted wash basins to be at wheelchair height with space under for wheelchair to allow user to get close to wash basin.</p>	<p>To be moved to wheelchair height, as money allows.</p>
