

# Sports Premium Funding 2019-2020

Chase View Community Primary School

**Chase Your Dreams and View Your Possibilities**

# What is the Sports Premium?

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The funding is provided by the Departments for Education, Health and Culture, Media and Sport.

In 2016-17 each school with 17 or more eligible pupils will receive £8,000 plus an extra £5 per pupil each year . In 2016/2017 Chase View received £8900 for the year. The money must only be spent on sport and PE provision in schools.

**From September 2017:**

- **Schools with 17 or more pupils receive £16,000 and an additional payment of £10 per pupil**

This is a straight doubling of the current formula and will mean that all schools will be able to deliver further improvements to their PE and Sport provision.
