

Y3 – Vincent Van Gogh

Intension – to use painting to develop ideas, experiences and imagination.

Implementation – opportunities to use a variety of materials mixed with paint to create different textures and effects. Experiment with mixing colour to create a variety of shades. Discuss how VVG used texture and colour to create different moods and effects.

Impact - children will create their own painting of flowers using VVG as inspiration.

- To improve their mastery of art and design techniques, including drawing, painting
- Can understand how artists use warm and cool colour using this when mixing paint to express a mood in a work
- Can explore the effect on paint of adding water, glue, sand, sawdust and use this in a painting
- Can create a painting from designs and research to communicate an idea or emotion
- Introduces different types of brushes for specific purposes
- Can represent things observed, remembered or imagined, using colour selecting appropriate paint and brushes
